Mr. Richard Watson

Dear Mr. Watson,

Congratulations! Patriots Point Naval & Maritime Museum extends regards to you on your selection for induction into the Enlisted Combat Aircrew Roll of Honor.

A recognition ceremony will be held in honor of those veterans, living and deceased, who are receiving this tribute. The events will be held on November 8 and 9, 2007.

Patriots Point will exhibit a commemorative engraved plaque listing the names of the 2007 inductees on the *USS YORKTOWN* and will present to you an individual keepsake plaque. Therefore, verification of your, the inductee, name is needed. Please verify your name as listed and if a correction is needed, please make the necessary correction in the space provided. If your name is correct, please leave blank. Only proper names (first, middle initial, last or if preferred, first initial, middle, last) will be printed on the plaques.

Additionally, I am under the assumption that I possess correct address information. I hope you and your family and friends will be able to attend this ceremony; however, in the event that you are unable to attend, your keepsake plaque will be mailed to the address I have listed for you. Therefore, if address corrections are needed, please note those corrections in the space provided. If your address is correct, please leave blank.

Please respond and return this form by **September 15, 2007**. If I have not received this form with your written response by this date, I will assume that my information is correct and proceed with the printing of the plaques. As this letter serves for verification, changes will not be possible after this date.
